

Note for Parrish, Steve

From: Purcell, Clare
Date: Mon, Apr 5, 1993 4:23 PM
Subject: document and backup
To: Keane, Denise; Parrish, Steve

Even Federal Express leaves early in Richmond--I have missed the pick up. The document in draft is now in both DFK and Ingrid's common access folders. The binder is being sent overnight for delivery Wed. a.m. It will need to have the sections replaced after SCP/DFK final edits are made. They are still marked DRAFT.
Call if you have questions.
